SUMMARY

Computer Science student at Arizona State University with hands-on experience in Java, C++, and software development. Passionate about creating efficient, user-focused solutions through engineering and programming. Seeking a Summer 2026 internship to apply problem-solving skills in the real world.

EDUCATION

B.S., Computer Science	May 2027
Arizona State University, Tempe, AZ	4.00 GPA
Perry High School, Gilbert, AZ	May 2023
Achieved 5 AP/Dual Enrollment credits STEM Diploma	4.00 GPA

TECHNICAL SKILLS

Languages: Java, C, C++, Linux

Development Tools: Git, Eclipse, VSCode, Fusion 360

Concepts: Object-Oriented Programming, Data Structures, Algorithms

PROJECTS

Intro to Software Engineering, ASU	Spring 2025
Worked with a team to develop programs with GUIs and complete user functionality.	
<ul style="list-style-type: none">Designed and implemented a Java program for Q&A using an SQL database and a JavaFX GUI with role-based access control.	
Intro to Programming Languages, ASU	Fall 2024
Applied procedural, object-oriented, functional, and logic programming paradigms to develop software solutions.	
<ul style="list-style-type: none">Created console-based programs in C, C++, Prolog, and Scheme, implementing user interaction and logic.	
Digital Design, ASU	Spring 2024
Learned how to design circuits in Digital and the logic for a CPU	
<ul style="list-style-type: none">Designed a circuit for lock and unlocked states for a car key fob with a distance sensor and automatic lock	
Introduction to Engineering, ASU	Fall 2023
<ul style="list-style-type: none">As team leader, successfully built a robot to navigate through a maze with MATLAB programming	

AWARDS

Dr. Martin Luther King Jr. Youth Action Award	Jan 2024
<ul style="list-style-type: none">Awarded by the City of Chandler for positive contribution to the community, a reputation of integrity, honesty, and ethical conduct, and commitment to the principles and ideals championed by MLK Jr.	

ACTIVITIES

Project Humanities, Tempe, AZ	Sep 2023 – Aug 2024
<ul style="list-style-type: none">Volunteered monthly in 2 hour sessions sorting clothes and items to be distributed to the Phoenix homeless population	
Software Developers Association (SoDA)	Aug 2023 – Nov 2024
<ul style="list-style-type: none">Weekly discussions on software development trends, networking with industry professionals, and hands-on coding workshops
